SECTION 17 NATIONAL RECORDS- NRA National Records shall be established only by American citizens who are NRA members and junior members of NRA affiliated clubs.

National Records may be established only when competition exists, i.e., more than one competitor or team in an event.

When new National Record categories are established, a data collection period will be held until the end of the calendar year (starting 1 January) in which the record was authorized. At the end of the calendar year, the highest score submitted will be recognized as the new National Record and the data collection period will expire. New National Records will then be recognized as they are set.

Rule 3.0 Equipment and Ammunition (b) - *Barrel length may not exceed 5.35 inches for semi-automatic pistols and may not exceed 6.5 inches for revolvers.*

Rule 3.1.3 Standard Smallbore Pistol .22 caliber rim fire- The pistol may be any .22 caliber rim fire pistol, either semi-automatic or revolver, chambered for long rifle cartridges. The pistol may have orthopedic or specially shaped grips. The pistol must have the same type of sight as a service pistol.

Rule 3.4 .22 Caliber Pistol or Revolver- Any pistol (single shot or semi-automatic) or revolver chambered for .22 caliber rim- fire long rifle may be used; barrel length, including cylinder, not more than 10 inches. Trigger pull not less than 2 pounds. Any sights, including telescopic, are permitted with the exception of those sights that project an image on the target. Open sights may be adjustable but not over 10 inches apart measured from the apex of the rear sight to the apex of the front sight. Any sighting device programmed to activate the firing mechanism is prohibited. All standard safety features of the gun must operate properly.

- (a) Ammunition- any .22 caliber rim fire long rifle cartridge may be used. Only bullets made of lead or similar soft material are permitted.

Rule 15.10 Unbreakable ties- Individual competitor ties, which cannot be broken by the aforementioned methods, will be resolved by the score of the previous individual fired match or matches as necessary. In the event the tie is in the first fired match, where no previous match exists, the next individual fired match or matches, as necessary will be used to resolve the tie. (i.e. – An unbreakable tie in the National Match course shall be decided by the score or scores in the previously fired Slow Fire match.)
